Dreams are my reality The only kind of real fantasy Illusions are a common thing I try to live in dreams

Am F D7

It seems as if it's meant to be

Dreams are my reality
A different kind of reality
I dream of loving in the night
And loving seems all right
Although it's only fantasy

If you do exist
Honey, don't resist
Show me your new way of loving
Tell me that it's true
Show me what to do
I feel something special about you

Dreams are my reality
The only kind of reality
Maybe my foolishness is past
And maybe now at last
I'll see how the real thing can be

Dreams are my reality
A wondrous world where I like to be
I dream of holding you all night
And holding you seems right
Perhaps that's my reality

Met you by surprise
I didn't realize
That my life would change for ever
Tell me that it's true
Feelings that are new
I feel something special about you

Dreams are my reality A wondrous world where I like to be
Illusions are a common thing I try to live in dreams
Although it's only fantasy

Dreams are my reality I like to dream of you
Close to me I dream of loving in the night
And loving you seems right Perhaps that's my reality
